Associate Vice President for International Affairs: Ross Lewin, Ph.D.

The Maryland Global hub—comprising the Office of International Affairs (OIA), Education Abroad (EA), Global Learning Initiatives (GLI) and International Student & Scholar Services (ISSS)—aims to advance the university community through learning, research and partnerships in service of the common good. Together, we make a world of difference.

Office of International Affairs

The Office of International Affairs (OIA) works to elevate the international character of the university. We do this through facilitating global learning and research collaborations with campus and international partners; championing all Maryland Global units and campus partners in their endeavors to integrate global learning; promoting safety and security during international study or work travel; and communicating the work of the Maryland Global teams and partners.

Global Learning Initiatives

Students interested in expanding their leadership, cross cultural and global perspectives on-campus and virtually should visit the catalog listing (https://academiccatalog.umd.edu/undergraduate/campus-administration-resources-student-services/academic-resources-services/global-learning-initiatives/) for Global Learning Initiatives, or visit marylandglobal.umd.edu/global-learning-all/global-learning-home/ (http://marylandglobal.umd.edu/global-learning-all/global-learning-home/).
