ADA/504 Coordinator: Emily Singer Lucio

The ADA/504 coordinator's office guides the university's efforts to move beyond compliance and toward seamless access. As the university's focal point for disability-related initiatives, the ADA/504 coordinator's office collaborates with university offices, government agencies and advocacy groups to inform decision-making and ensure university compliance with state and federal mandates. The office addresses accessibility issues and disability concerns in collaboration with other campus units.
